REDEEMER EVANGELICAL COVENANT CHURCH

The Master's Touch

From the Pastor's Desk

But if we walk in the light, as He is in the light, we have fellowship with one another, and the blood of Jesus, His Son, purifies us from all sin. 1 John 1:7

Even though this is a February Newsletter, it is our first newsletter of 2018. For that reason, it is a great opportunity to look back at 2017 as well as talk about 2018.

What steps forward did our church take in 2017? There are many, but I would point you to three things: First, I credit Pastor Nick and the youth volunteers for their work in the youth ministry. By following the Spirit, they adjusted their summer plans, made camp an emphasis (spiritually and financially) and as a result, we saw lives come to Christ. Second, I credit Pastor Dieula and the racial reconciliation ministry for their faithful prophetic voice in a time of racial division in our country. Third, I would point out the growth of our Wednesday night ministry, in which our building is filled with a variety of ministries, faces, and cultures.

Obviously, those are not the only great ministries at Redeemer. Nor is everything always positive. This year hit home for me that, even when people love our church, life circumstances may force them to seek another place of

worship. Are we doing our part in saying goodbye in a Christ-like way as well as making space for new faces? Related to that, are we unified as a church? One interesting trend that is popping up in our day is smaller churches becoming popular again. But it's not just any small church. It is the smaller churches that are unified and serving together rather than small churches which are fragmented.

Finally, it is impossible to talk about Redeemer in 2017 without mentioning "The [Good] Elephant in the Room". In the early spring of this year, Redeemer received an anonymous, undesignated gift of \$350,000. As many of you know, we agreed to spend \$150,000 of the money on a combination of facilities projects, new ministries, and giving a portion away, based on the feedback we received at our forums. The other \$200,000 will await a new motion, probably in June of this year.

2018 should be interesting. It's a privilege to be your pastor and I look forward to seeing what God will do.

The Season of Lent Begins this Month

The season of Lent begins on February 14 this year. The word *Lent* comes from an Anglo-Saxon word referring to the lengthening of days in the move from winter to spring. The season begins with Ash Wednesday and lasts for forty days (excluding Sundays). This is a reflective and penitential season, asking Christians to examine themselves as they remember the suffering and sacrifice of Jesus on their behalf. Significant days observed during the Lenten season include Ash Wednesday, the Sundays in Lent, and the days of Holy Week, including the special days of Maundy Thursday, Good Friday, and Holy Saturday.

ASH WEDNESDAY
Worship Service
February 14*
7-7:30 P.M.
in the sanctuary

Ash Wednesday calls Christians to remember their mortality and their need for a Savior. It is a time of new beginning... putting aside the sins and failures of the past in light of who we are yet to become by the grace of God. The ashes are a sign of both mortality (“ashes to ashes and dust to dust”) and purification and cleansing. The tone and atmosphere of the worship service is solemn and meditative.

Redeemer’s Ash Wednesday Service will be at **7:00 P.M.** in the sanctuary.

***PLEASE NOTE:** Our regular Wednesday activities (Bible study, prayer, Kids Connect, CREW, and ESL classes) will begin at 7:30 P.M.

Meet Our New Partner in Missions: Pastor Caleb of *Hosean International Ministries*

**Sunday, February 4
10:45 A.M.**

Pastor Caleb Lucien of Hosean International Ministries (HIM) will visit Redeemer and preach during our worship service on February 4.

Hosean International Ministries (hosean.org) is a new partner in missions that our **OUTreach**

ministry brought on in 2017. HIM is a Haitian-based ministry founded by Pastor Caleb Lucien. Its mission is to empower Haitians with the gospel of Jesus Christ through education, life skills training, and economic growth.

Redeemer's **OUTreach** ministry felt that HIM is a great fit for Redeemer. Not only does their mission closely align with Redeemer's vision, but their areas of focus fit in with all three priorities of our **OUTreach** ministry:

1. Developing, sending, and supporting servant leaders
2. Being ambassadors of social justice and reconciliation
3. Caring for the sick and the poor

This partnership will provide multiple ways for the congregation to get involved on both an individual and group level.

Security & Child Safety at Redeemer

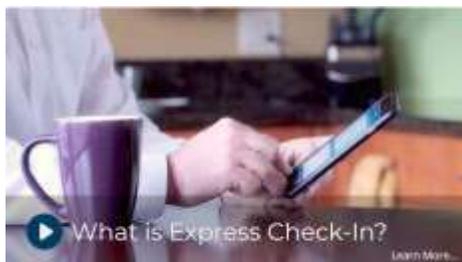

Our Check-In System is “Going Live” Sunday, February 4!

Families with children and all teachers need to create an account with KidCheck at <https://go.kidcheck.com/>

Parents:

At Redeemer Covenant Church, nothing is more important to us than the safety and security of your children. That’s why we’ve chosen *KidCheck* as our children’s check-in solution to bring you the best check-in experience and to allow us to partner with you to keep your children safe.

Teachers and Coordinators:

For classroom management, you must download the Admin app for *KidCheck* as well as register yourself on the *KidCheck* app. Both of these apps are available for free in Apple store and Google Play. Then log in to manage our system:

- Access your classroom roster

- See information on your students (allergies, who can pick them up, etc.)
- Check children out as they leave your classroom

If you haven’t already created your free account, please do so by going to go.kidcheck.com and selecting “Create Your KidCheck Account.” Or, download the KidCheck Mobile App from the App Store or Google Play Store to create, manage, and update your account right on your mobile device. Once you’ve created your account, simply use your 10 digit phone number to check-in with us.

For more information see our website. RedeemerECC.org
Thank you for your participation,

Security Cameras

Redeemer has installed security cameras around our property, covering our main entrances both inside and outside the church, as well as the church office and main lobby. (We are not recording sound.) A very limited number of people have access to the cameras and recordings, solely for the purpose of church security in the event that we have a security problem. We are currently working on a security policy.

Son Shine Project

Have you been looking for a way to encourage people? A way to say you are loved? The Son Shine Project might just be for you!

The Son Shine Project is a new outreach opportunity for members of the church to

become Encouragers and help stay connected to our youth have gone off to college or serving in the military, ECC missionaries, and our shut-ins.

What are the expectations you ask?

Simple. Encouragers will be matched with a Redeemer loved one and each month you just send them your love, encouragement and prayers. This could be done with a card, a letter, a phone call, or a fun little surprise in the mail. What’s important is that as a church we stay connected to those we don’t see.

If you are interested in learning more or being an Encourager or know a person who needs encouragement please contact Tasha Moore at [Tasha.lynn.moore \(at\) gmail.com](mailto:Tasha.lynn.moore@gmail.com).

Harvest Community Garden 2017 Report

Join us Saturday, February 17 at 9 a.m. in Fellowship Hall to learn more about us!

Harvest Community Garden (HCG) is a nonprofit organization that enables people from the community to come together to grow organic produce and donate half of it to a local food bank.

The garden is a member of *Community Gardens of Carrollton** and is open to anyone. It is located on the south side of Redeemer Covenant Church's property. There are currently 12 raised beds (20' x 4') and members of the community can adopt a whole or a half plot for a year. The garden also has an asparagus bed, blackberries, and a xeriscape garden which volunteers can help care for.

Donations: Harvest Community Garden donates half of the produce we grow to the food bank at Christian Community Action in Lewisville. This year was our highest yield to date at 961 pounds. We gave organically grown tomatoes, pepper of many varieties, a wide variety of leafy greens, many herbs, broccoli, Brussel sprouts, beets, carrots, potatoes, melons, radishes, beans, and many other things.

Gardeners & Volunteers: We had many gardener and volunteers working in the garden in 2017. Over 15 individuals, as well as a church small group, a Girl Scout troop, and a Cub Scout troop worked in the garden.

The Harvest Community Garden's Board:

The Board is made up of the Chairman, Stan Basnett, two Redeemer members, two community members and a member of Board of the *Community Gardens of Carrollton*. Redeemer Covenant Church and Harvest Community Garden agreed in September 2017 to include Redeemer's Missions Chair as an ex officio board member of the Harvest Garden Board.

Meetings: The Board meets several times a year and on an "as needed" basis to plan, organize, solve problems, etc. In the fall, the Board met to change the bylaws, add Redeemer's Missions Chair (Warren Leonhardi) to the board, and discuss Phase 2 expansion of the garden. Representatives from the Board asked Redeemer for permission and funding to build Phase 2. Redeemer's Council approved the building of Phase 2 and donated \$8,500 toward that project.

There are three important meetings for all the gardeners:

- *Beginning of the Year Meeting* to go over garden rules, commitments, and responsibilities.
- *Spring Garden Meeting* to learn about organic gardening, what to plant for spring/summer, and other helpful information.
- *Fall Garden Meeting* to learn about fall/winter gardening.

We continue to have rabbit and rodents causing problems in the garden. The Scout troops enjoyed the baby rabbits that were nesting in their plot.

Garden Improvements Made in 2017: We received fresh mulch and spread it in the walkways a couple times this year. In March, we added hose stands, filled in the puddle area with dirt, gave a bag of compost to each half plot, and updated our website. We fixed the fence in April. We planted a Xeriscape garden along the west fence in the summer.

In 2018: We plan to build Phase 2, which will include 12 new plots and a shade structure. We will be changing our website to a better format.

*As of May, 2017, *Keep Carrollton Beautiful* is no longer our 501c3 partner for the Harvest Community Garden. It is now with ***Community Gardens of Carrollton*** (501c3).
