

Hello Midsouth Camp Friends & Families!

We are looking forward to the **2022 Midsouth Camp** taking place **July 31 to August 6!** Our theme this summer is "Texas Toast & the Temple of Ka-Boom" Poor Texas Toast. He is traveling around the world searching for the temple of Ka-Boom to gain fame and fortune. Doesn't he know, if we give our lives to Jesus, WE become the temple of the most famous ONE of ALL? God! When we give our life to Jesus, God lives in us through the Holy Spirit. We become walking Temples of God. We show others the goodness of God through our bodies and actions. We fill our bodies with good, not garbage. We worship with the Body of Christ in unity. We are part of His Body, the people of God! Let's celebrate our bodies as living Temples of God!
